Delivering affordable  
IT services that clients  
can rely on.

## Lenovo Smarter Infrastructure Solutions

Lamont Information Technology specializes in providing clients with tailor-made solutions that best meet their specific needs, delivering quality service at the best price.

Brad Lamont, Owner, says: **“Our mission at all times is to offer clients the best solution available at very competitive prices. Lenovo’s pricing model along with the great financial incentives and rebates available for partners means that we can offer our clients high-quality data center solutions backed by Intel® technology and great value for money.”**

The ease of doing business with Lenovo is another highlight for Lamont IT. **“There’s never any unnecessary back and forth or long delays. We get price quotes, technical specifications, and answers to our queries very quickly,”** he adds.

“Everyone on the Lenovo team is very easy to work with—they’re supportive, responsive, and always happy to help.”
